Subject: Boarding and Lodging Arrangements for 63rd Batch of Diploma in Sports Coaching – Reg.

With reference to the above-mentioned subject and with the approval of the competent authority, all concerned are hereby informed that only food facilities will be provided in the hostel to the trainees of the 63rd Batch of Diploma in Sports Coaching.

All other arrangements, including the following items, will have to be managed by the trainees themselves:

- Bedsheets, pillow, blanket, and other bedding materials
- Toiletries (soap, shampoo, toothpaste, etc.)
- Towels and personal hygiene items
- Bucket, mug, and other daily utility items
- Lock and key for personal storage
- Any other essential daily-use items

Hostel rooms will be allotted in a shared occupancy format (as per availability), but no additional furnishings or amenities will be provided apart from basic furniture.

All trainees are therefore advised to come well-prepared with the above-mentioned items at the time of reporting to avoid any inconvenience during their stay.

This arrangement is being implemented to ensure uniformity and self-sufficiency among trainees across all centres.
