

Date: 07.11.2025

Grassroots to Greatness – Talent Identification & Athlete Development (International Conference): 06 – 07 February 2026

Website for registration: <https://conf.nsnis.in>

Online Registration Open: 07 November, 2025 (05:00 p.m.)

Last date for registration (without late fee): 31 December, 2025

The Sports Authority of India, through its Academic Wing at Netaji Subhas National Institute of Sports (NSNIS), Patiala, is delighted to announce the **International Conference** on “Grassroots to Greatness – Talent Identification & Athlete Development”, scheduled to be held on **06 – 07 February 2026 at SAI NSNIS Patiala.**

This prestigious event aims to bring together global experts, high-performance professionals, sports scientists, coaches, and policy makers to foster dialogue and collaboration toward strengthening India’s athlete development ecosystem from grassroots to elite levels.

Conference Highlights

- **Expert Sessions & Keynote Lectures** by leading international and national speakers in sports science, coaching, and athlete development.
- **Panel Discussions** on talent identification frameworks, pathways to excellence, and performance sustainability.
- **Workshops & Applied Demonstrations** on talent assessment tools, LTAD models, sports technology, biomechanics, and performance analytics.
- **Research Paper Presentations** showcasing innovative studies and emerging trends in sports development.
- **Networking Opportunities** for sports professionals, academicians, and industry partners.
- **Interactive Case Study Dialogues** featuring successful grassroots-to-elite athlete journeys.

Key Takeaways for Participants

- Understanding evidence-based models for early talent detection and structured athlete development.
- Insights into advanced performance monitoring, sports science interventions, and technology integration.
- Knowledge of holistic athlete support systems including nutrition, psychology, medical care, recovery, and injury prevention.
- Best practices and policy frameworks adopted by leading sporting nations.
- Tools and methods to support athletes across different training stages and competitive levels.
- Opportunities to collaborate, exchange research, and contribute to India’s long-term talent development mission.

The conference seeks to empower stakeholders working across the sports ecosystem to build a robust, sustainable, and scientifically driven pipeline of future champions.

Details of Registration fees:

Category	Registration Fees (07 Nov- 31 Dec 2025)	Late Registration Fee (01 - 15 January 2026)	On the spot Registration Fee (06 February, 2026)
National Delegates			
Students/ Research scholars	Rs. 2000/-	Rs. 2500/-	Rs. 3000/-
SAI Staff members	Rs. 2500/-	Rs. 3000/-	Rs. 3500/-
Academicians/ Professionals	Rs. 3000/-	Rs. 4000/-	Rs. 5000/-
International Delegates			
Students/ Research scholars	\$100/-	\$125/-	\$150/-
Academicians/ Professionals	\$200/-	\$250/-	\$300/-

The registration fee will cover the following:

1. Lunch and high tea for two days.
2. Gala dinner.
3. Conference kit and booklet.

Website for registration: <https://conf.nsnis.in>

Refund and Certificate Policy

1. The registration fee once paid is non-refundable and non-transferable under any circumstances.
2. Participants who have registered and paid the fee but fail to attend the conference will not be eligible for a participation certificate or any other entitlement associated with the conference.
3. A certificate will be issued to all registered candidates who attend the conference.
4. All participants presenting oral or poster presentations shall receive a presentation certificate in addition to the participation certificate.
5. Best Oral Presentation and Best Poster Presentation awards will be conferred. Awardees will receive separate award certificates in recognition of their achievement.

Guidelines for Abstract, oral and poster presentation:

1. Abstract:

Authors are invited to submit **original research** (**Review papers will not be accepted**) related to the conference theme. Abstracts must be submitted via the conference email address: conference.nsnis@gmail.com.

The abstract should be concise and informative, containing the following sections:

Title: Should be clear, specific, and written in sentence case (maximum 20 words).

Authors and Affiliations: Include full names, institutional affiliations, and email addresses of all authors. Indicate the presenting author with an asterisk (*).

Introduction/Purpose: Brief background and objectives of the study.

Methods: Summary of methodology, study design, and key measurements.

Results: Main findings or expected outcomes (quantitative or qualitative as applicable).

Conclusion: Key implications, relevance, or application of findings to talent identification and athlete development.

Keywords: 3–5 relevant terms.

Incomplete papers and plagiarized work will not be considered for final review.

2. Formatting of abstract:

Word Limit: 250–300 words (excluding title, authors, and keywords).

File Format: Microsoft Word (.doc/.docx)

Font: Times New Roman, 12 pt., 1.5 line spacing, with 'justify' alignment.

Margins: 2.5 cm on all sides.

Language: English only.

File Name Convention: *FirstAuthor_ShortTitle.docx* (e.g., *Singh_Anthropometry.docx*).

3. Submission Process

- **Abstracts must be submitted via the conference email address: conference.nsnis@gmail.com**
- All submissions will undergo **peer review** by the Scientific Review Committee based on originality, relevance, clarity, and scientific merit.
- Authors will be notified of acceptance status (oral presentation, poster presentation) via email.

- NSNIS, Patiala shall have the sole authority to determine whether a submitted research paper will be presented orally or as a poster, depending on the quality and merit of the research.
- A working paper/ manuscript is to be submitted once the abstract acceptance status is updated to you via email.
- No abstract will be accepted after the deadline for abstract submission, neither any formal communication regarding such papers will be sent.
- Accepted abstracts will be published in the Conference Proceedings under **Sports Research, NIS Journal**, ISSN 2321-6557, RNI No. PUNENG/2012/47863.

5. Presentation Guidelines

- Presenters must be registered participants of the conference.
- Certificate of presentation will only be issued to one author presenting a paper/poster.
- **Oral Presentations:**
 - 8-minute presentation followed by 2 minutes of discussion.
 - Number of slides should not be more than 10-12 slides, and the presentation time should be strictly followed.
 - Structure: Introduction, Objectives, Materials and Methods, Results and Discussion, Conclusion
 - Brief text, illustrated by charts, graphs, tables, etc. Minimum font size should be 20.
- **Poster Presentations:**
 - Maximum poster size 90 cm (width) × 120 cm (height).
 - Poster Size: Poster size should be maximum 27 inches × 40 inches (or 0.7 meter × 1 meter) in Vertical alignment.
 - Brief text, clearly labeled and illustrated by photos, charts, graphs, tables, etc. Minimum font size should be 24.
 - Structure: Title, Authors, Introduction, Objectives, Materials and Methods, Results and discussion, Conclusion, Acknowledgement
 - Posters should be mounted at the given space at least two hours prior to the session.
 - Presenter should stand by the poster during the session for discussion and questions.

6. Working paper/ manuscript should be organized in the following order:

A working paper/ manuscript (within 4000-5000 words, including references)

- Introduction
- Methodology
- Results and Discussion [4-5 tables; 2-3 figures maximum]
- Conclusion
- Reference [no more than 30]

Adhere to the APA style guide for referencing.

Broad Areas for Paper and Poster Submissions

1. Frameworks, models, and tools for identifying athletic potential.
2. Data analytics, AI, and technology in scouting and assessment.
3. Long-term athlete development (LTAD).
4. Athlete growth from grassroots to elite performance, Genetics v/s TID
5. Transition and retention strategies for young athletes.
6. Monitoring of talent development and interdisciplinary transfer.
7. Effective coaching philosophies, mentoring, and leadership.
8. Athlete-centered approaches in education and training.
9. National and institutional frameworks for talent promotion.
10. Ethics and inclusion in youth sports and high-performance programs.
11. Managing athlete burnout and career transitions.
12. Dual-career pathways and post-sport life planning.
13. Scientific approaches to identifying and developing athletic potential.
14. Anthropometry, Physique, and somatotype profiling in Talent Identification and Performance optimization
15. Role of biomechanics, nutrition, physiology, and S&C in performance optimization.
16. Application of analytics, AI, and data-driven decision-making in athlete monitoring.
17. Psychological, sociocultural, and policy dimensions influencing talent development.
18. Physiological adaptation and load monitoring, injury prevention, and recovery strategies.
19. Injury prevention, rehabilitation, and return-to-play protocols in high-performance sport.
20. Integrative models linking research, coaching, and applied sports science for sustainable athlete performance.
21. Any other research paper relevant to the theme of the conference

KEY DATES**Activity****Deadline**

Abstract Submission Opens	10 th November 2025
Abstract Submission Closes	15 th December, 2025
Notification of Acceptance	26 th December, 2025
Working paper submission deadline	30 th January, 2026

SAI NS NIS Patiala invites all interested participants to join this transformative Conference aimed at strengthening the pathway from grassroots to elite sport through scientific talent identification, athlete development, and high-performance support.
